Translation Notes:

So the poll ended, and volume 1's character's name is Shotacon-kun. We might do another poll at the end of volume 1.

Also, if you're learning Japanese and would like to try translating a simple manga, I would appreciate some help with Zokusei. The vocabulary isn't way too hard, and the chapters are around 8-12 pages long, the raws are a fairly decent resolution, so you can tell the furigana. Things you should know, hirigana, katakana, VERY basic kanji (The numbers), and rather basic grammar, and a passion for ecchi.

TSUKAMORI-SAN'S CASE

ALL THE BOYS IN THE CLASS ARE RIVETED BY SEKIYA-SAN, A PRINCESS-LIKE IDOL OF THE CLASS.
GOOD MORNING SHOTACON -KUN.
OH... Y.. YEAH.
BUT I BET NONE OF THE BOYS IN THE CLASS KNOW THAT THERE IS ONE MORE PRINCESS-LIKE GIRL IN THE CLASS.
SHE'S ALWAYS IN THE SEAT IN THE CORNER READING A BOOK. HER HAIR IS IN BRAIDS LIKE CINDERELLA.
HER STYLE IS PERFECT, AND MOST OF ALL, HER PERSONALITY IS ABSOLUTELY IMPECCABLE.

SHE IS #32 ON THE CLASS ROLL LIST.
SHE IS A MEMBER OF THE LITERATURE CLUB, AN INCONSPICUOUS CLUB.
HER GRADES AREN'T THAT GREAT I...
Midterm Exam results.
TO BE POSTED ON THE BULLETIN BOARD, EITHER
BECAUSE OF HER WEAK BODY, SHE MOSTLY OBSERVES PE CLASS, SO IT ISN'T AS IF SHE COULD COLLECT ATTENTION FROM THE BOYS EITHER.

...JUT OUT OF HER BRA.

IF SHE DRESSED UP LIKE A BIKINI MODEL, SHE WOULD BE REALLY CUTE.
AH... NOT MY GLASSES.

AH...

COULD GET FAMILIAR WITH HER...
KYAAA.
TH... THAT'S WHY...
OWOWOW...
IF I...

AH...
THEN...
SHOTACON -KUN.
U..UMM.
THIS CINDERELLA PRINCESS' FATE WOULD BE CHANGED...
S... SORRY!
BEFORE MY EYES ....
IF I WAS MR. PRINCE.
I'LL HELP YOU...
PICK UP YOUR THINGS.
